Former Game Warden Seeks Sheriff Post

MALCOLM A. BOOKER

BUCKINGHAM, April 8 – Malcolm Alvis Booker announced this week his candidacy for the sheriff post in Buckingham County. Herbet Adams, incumbent sheriff, has indicated that he will not seek reelection.

The final day to file for the Democratic primary is Friday, April 9.

In announcing his intention to run, Booker pointed out that he has 25 years experience as game warden in Buckingham County. He also served on the police force for seven years in Appomattox and was a member of the Shore Patrol while serving in the U. S. Navy during World War II.

He is currently president of the Buckingham County Lions Club, a member of Liberty Chapel Baptist Church, the Jamestown Society and Dominion of the Golden Dragon, and a former member of the American Legion, Forty and eight, and Sons of the American Revolution.

Booker was born in Buckingham County, January 19, 1915, a son of the late John Richard Booker and Bertha Coleman Booker.

After serving in the Navy from 1933-36, he returned to Buckingham County where he has been engaged in farming and the service station and antique business. He was recalled for duty in the Navy during World War II.

His wife is the former Beverly Coleman, of Newport News. They have four children, Mrs. Renee McGrath, of Buckingham; Malcolm, Jr., a teacher at Buckingham County High School, Johnny Booker, of Lynchburg, and Miss Valerie Booker, a student at BCHS.

VEPCO Orders B&W Nuclear Systems

Lynchburg, Va.–Babcock and Wilcox has announced that it has received a Nuclear Steam System and Fuel Contract from Virginia Electric & Power Co. totaling over 100 million dollars. The equipment contract is for two Nuclear Steam Systems with a total gross electrical output of over 1800 megawatts. The Nuclear Fuel contract is for the fabrication of initial fuel and reload fuel for the units.

The first unit is scheduled for commercial operation in 1977 and the second in 1978. Both units will be located at VEPCO North Anna site in Louisa County, Va. Total cost of the facility upon completion, including two units under construction now will be in excess of one billion dollars – more than the investment represented by the entire VEPCO system five years ago.

Polls Set Up For Tobacco Quota Vote

The Appomattox County ASCS Office has been designated as the polling place for the May 4 referendum on marketing quotas for the next three crops of burley tobacco. The polls will be open from 7 a.m. to 7 p.m.

Committee Chairman J. P. Alvis, Jr., pointed out that notices of farm poundage quotas have been mailed to all Burley tobacco farm operators so that they may know what their 1971 quotas are in advance of the referendum

If at least two-thirds of the growers voting in the referendum vote YES, poundage quotas will be in effect for the 1971, '72 and '73 crops of Burley tobacco. Price support will be available to all growers based on their assigned quotas.

If marketing quotas are not approved, that is, if more than one-third of those voting, vote NO, there will be no quotas or penalties, and no price support on the 1971 crop of Burley tobacco. In that event, another referendum would be held next year on quotas for the following three crops.

Any person who had a share in the 1970 crop of Burley tobacco or its proceeds – as owner, operator, share tenant or sharecropper – is eligible to vote in the referendum. Also, each person who was either the owner or operator of a farm for which a 1970 tobacco acreage allotment was established is eligible to vote, even though no tobacco was actually produced on the farm, if the allotment was preserved for history purposes.

Chairman Alvis urges all eligible Burley tobacco growers to vote on this important question.
